The statewide E911 network project must be performed by contracted services pursuant to Title 18, chapter 4. The amount of \$1.5 million of the E911 appropriation must be used for the purchase, installation, and maintenance of the position determining equipment on the existing statewide E911 network and \$1.5 million must be distributed to counties. Sixteen percent of the amount distributed to counties must be distributed evenly to the 56 counties and 84% must be distributed to counties with 1% or less of the total population. To be eligible for E911 network funding, a county must have an approved enhanced 9-1-1 plan in accordance with 10-4-125."
